

POLYTEC™ SERIES

48" Roll-Top Merchandiser

Increase store space, grow sales and create an easier path to purchase on seasonal items and impulse buys. PolyTec™ 48" Roll-Top Merchandisers are an economical way to provide convenient terraced displays. Locks can be used to secure products at night to eliminate theft and the need to move merchandise inside at closing. Stores can strategically place merchandisers anywhere from at the pump island to outside storefronts to on the sales floor.

KEY BENEFITS & FEATURES:

- Aluminum roll top with polyethylene side panels
- Galvanized steel base to prevent rust and salt corrosion
- Powder-coated shelves, top and back to reduce rust
- Secures with padlock (not included)
- Customizable colors for side panels
- Two adjustable shelves with 200 lbs. weight capacity
- 1-year warranty
- Designed & made in USA
