

ISLANDER™ SERIES

Aruba Waste/Windshield Center, 42-Gallon Double-Sided, Open-Top

The Aruba Double-Sided Waste/Windshield Service Center combines two full service windshield service centers with a large capacity 42-gallon waste container. Save on freight, side pods ship inside the waste container. Perfect for high traffic areas with large 42-gallon capacity, services both sides of the island.

KEY BENEFITS & FEATURES:

- Durable and built to last in the harshest weather conditions
- Environmentally-friendly containers, molded from long-lasting recycled polyethylene that won't rust, dent, chip and is graffiti-resistant
- Material is easy to maintain and clean, saving you time and hassle-free maintenance
- Snap-fit lid closure secures lid in place, generous 9" square trash opening for easy disposal
- Double-sided unit includes (1) 42-gallon waste receptacle, (2) windshield service centers with (2) removable 2-gallon water buckets with squeegee press, (2) towel dispensers, (2) squeegees and hardware to secure the Windshield Service to Waste Container
- Standard size towel dispenser accommodates 1- or 2-ply folded paper towels
- Water bucket accommodates up to a 10" squeegee head
- 42-gallon Waste Container uses standard 45-gallon trash bags
- 42-gallon Liner and security options available and sold separately: 42-gallon liner #734401, Bolt-down hardware #793100 and base-to-lid security cable #795500
- 100% Recyclable after use
