

# SMOKERS' OUTPOST®

## Stainless Steel Wall-Mounted Cigarette Receptacle

Keep cigarette litter hidden from public view while maintaining a clean, neat entrance or break area. The durable and compact Precision Series® cigarette receptacle offers a stylish, space-saving design that is perfect for wall placement. The patented oxygen-restricting design extinguishes cigarettes quickly, no sand or water is required. This cigarette receptacle is ideal for locations looking for a more secured outdoor cigarette receptacle as it requires a hex key to be emptied. This stainless steel cigarette receptacle can easily be mounted to the Precision Series® Leaf-Shaped Trash Container to create a perfect ash and litter solution.

### KEY BENEFITS & FEATURES:

- Outdoor solution, perfect for any business
- Durable and built to last in the harshest weather conditions
- Environmentally-friendly container constructed from heavy-gauge 304-grade recycled stainless steel
- Material is easy to maintain and clean, saving you time and hassle
- Built-in cigarette snuffer encourages cigarettes to be properly extinguished
- Requires a hex key to be emptied, ideal for areas where security is a concern
- Metal tube collects and stores cigarette litter.
- Receptacle is easy to empty by simply removing receptacle and cap and disposing the litter
- Rain guard helps keep weather elements out
- The unique design reduces the flow of oxygen
- Add Mounting bracket to secure to wall or Precision Series® Leaf-Shaped Trash Container. (Securing hardware not included)
- 100% Recyclable after use
- Standard 2-day lead time
