SMOKERS' OUTPOST®

Site Saver™ Cigarette Receptacle

Keep cigarette litter hidden from public view while maintaining a clean and neat entrance or break area. The compact and streamlined Site Saver® cigarette receptacle offers a unique hexagon style that makes it ideal for smaller entrances and designated smoking areas. The patented oxygen-restricting design extinguishes cigarettes quickly, no sand or water required. The snap-lock lid feature secures lid to base without the use of hardware.

KEY BENEFITS & FEATURES:

- Outdoor ash urn solution, perfect for any business
- Durable and built to last in the harshest weather conditions
- Environmentally-friendly containers, molded from long-lasting recycled polyethylene that won't rust, dent, chip and is graffiti-resistant
