

# STONETEC® SERIES

## 18" Small Planter

These small StoneTec® planters enhance the appearance of any location. This durable planter is made from fiberglass-reinforced polymer concrete in a contemporary square design. It's designed to withstand extreme climates while maintaining their beautiful aesthetic. For a perfect turnkey and cohesive solution, pair these with the StoneTec® Trash and Recycling containers.

### KEY BENEFITS & FEATURES:

- Natural stone look, constructed from a polymer concrete formula and fiberglass reinforcements – built to last in the harshest weather conditions
- Real stone appearance creates an upscale appearance that complements any design style throughout any property
- Optional drainage hole with plug
- Colors match all other StoneTec® waste containers for a complete look
- The StoneTec® Planter wipes clean with just soap and water for easy maintenance
- 100% Recyclable after use
- Custom, made to order
