

# EARTHCRAFT™ SERIES

**CHOOSE  
YOUR OWN  
CUSTOM  
LOOK!\***

The EarthCraft™ Series puts you in charge of the design for your Waste and Recycling Management Center – you select the components that are right for your facility and your customers. These attractive, upscale units are built with UV-recycled plastic material that will enable you to meet your LEED and sustainability goals. This modular series provides the look and function you want, without sacrificing on quality or performance. And the experienced team of professionals at Commercial Zone will ensure your project is delivered on time and on budget.
