

EARTHCRAFT™ SERIES

Trash & Recycling Containers, 30-Gallon, Side-Load

Select the container that is right for you and your customers. This all-new waste and recycling management center is built with UV-resistant recycled plastic material that will enable you to meet your LEED and sustainability goals. The attractive, upscale design of these modular containers provide the look and function you want, without sacrificing on quality or performance. Even join multiple containers together using joining hardware to create the functionality of multi-stream waste management.

KEY BENEFITS & FEATURES:

- Made with durable UV-resistant, recycle plastic material.
- Sleek, upscale design to improve the look of any site and reflect any brand.
- Perfect for indoor and outdoor environments.
- Opening shape options include square/rectangular or circular to accommodate both trash and recycling.
- Large capacity units with side-load (30-gal.).
- 1-year warranty.
- Joining hardware recommendations available upon request.
- Made in USA.
