STYLE. FUNCTION. DURABILITY.

A visually appealing environment can create lifelong customers for your business, Commercial Zone® understands the importance of blending functionality & durability with style. Every Commercial Zone® Product not only looks and functions great but is durable to withstand the environment for which it was designed.

For over 50 years, Commercial Zone® Products, a Marmon/Berkshire Hathaway Company, has been a leader in designing and manufacturing high-quality site furnishing solutions to some of the world's biggest and most successful retail, convenience store, restaurant, hotel, and property management companies. Our product solutions help brands and property owners strengthen their brand image, improve efficiencies, enhance the overall appearance, and drive increased traffic to generate sales.

Our value...

- Diverse product line of styles, materials, and functions to meet customer and brand requirements
- Custom design and manufacturing capabilities
- Environmentally-friendly materials to support sustainability programs
- Fast delivery, 1-2 business days turnaround time on stock solutions

We have the expertise and industry experience needed to provide you with product solutions that surpass your expectations.

POLYTEC™ SERIES

Not your average waste containers, the PolyTec™ Series is designed to instantly enhance appearance and improve efficiencies in any business space.

They're built with style, functionality, and durability in mind – making them your ultimate exterior waste and recycler solution.

These UV-protected receptacles are manufactured from recycled polyethylene. They won't rust, dent or chip under harsh weather conditions, and are graffiti-resistant.

Key Product Features:

- Durable and built to last in any weather condition
- Easy to maintain and clean, saving you time and hassle
- Customizable, comes in a variety of colors & designs
- Made from at least 25% recycled material
- Unique, patented Grab Bag™ system to secure trash liner in place
- Backed by a 1-year, risk-free warranty
- ADA Compliant
- Made in the U.S.A.

ARCHTEC™ SERIES

Bring sophistication and appeal to your waste and recycling containers with the ArchTec™ Series.

These steel-slotted waste containers blend durability and strength with a contemporary streamlined style to enhance the appearance of any decor. Constructed of heavy-gauge vertical steel rails with a weatherproof finish, these furnishings offer a long life cycle.

The environmentally-friendly units are perfect for indoor and outdoor use, with a heightened quality and durability you can trust.

Key Product Features:

- Constructed from heavy-gauge steel to withstand the harshest weather conditions
- Covered lid prevents rainwater from entering the unit
- Decals included with recycling units
- Liners included in all units
- 3/4" feet add stability and protect floors
- Made from at least 25% recycled materials
- Backed by a 1-year, risk-free warranty
- ADA Compliant

GARDEN™ SERIES

This stylish furnishing combines earth-friendly colors with modern plastic to bring a contemporary yet inviting aesthetic look to any business.

Each unit is individually hand-decorated to create an authentic woodgrain appearance.

The UV-protected units are manufactured from durable, recycled polyethylene, these units won't rust, dent or chip.

Key Product Features:

- Manufactured from recycled polyethylene
- Durable and built to last in any environment
- Hassle-free with removable liner and snap fit lid
- Hand-decorated for a natural wood appearance
- Liner included with waste cans and recyclers
- Backed by a 1-year, risk-free warranty
- ADA Compliant
- Made in the U.S.A.

WOODVIEW™ SERIES

The Woodview™ Series upgrades your space with a simple and elegant design that effortlessly blends functionality with style.

Made from a high-grade recycled plastic lumber with UV inhibitors, these containers are low maintenance and provide a long life cycle.

Plus the unique Grab Bag™ system ensures your trash liners don't slide and the magnetic door hinge makes clean up easy and hassle-free.

Key Product Features:

- Magnetic door hinge with lock makes it easy to remove liner
- Durable and built to last in any weather condition
- Customizable to your brand with over 30 colors
- Recycled plastic lumber is low maintenance & easy to clean
- Made from 100% recycled material
- Backed by a 1-year, risk-free warranty
- ADA Compliant
- Made in the U.S.A.
